

**Environmental Education and Community Action Projects
2017–2018 Approved Projects List**

Project No.	Recipient Organisation	Project Title	Project Brief	Approved Amount
Priority Theme				
Sustainable Use of Biological Resources				
1832	Environmental Association Limited	ECF - About Cherish Biological Resources	To enhance public's knowledge of sustainable consumption of biological resources, and to encourage them for green consumption through ambassador training, cooking classes, carnivals and publication of green consumption guide.	\$1,466,475.00
1838	Conservation E3 Foundation Limited	ECF - Choosing Green	To enhance public's awareness and knowledge of sustainable consumption of biological resources through workshops, surveys, roadshows and an information platform.	\$1,091,545.00
1844	Caritas Fanling Chan Chun Ha Secondary School	Environment and Conservation Fund - Nature's Gifts	To enhance public's understanding on sustainable use of biological resources through guided tours, exhibitions, workshops and development of teaching kit set.	\$438,620.00
Special Themes				
Nature Conservation of South Lantau Projects				
1797	World Wide Fund for Nature Hong Kong	ECF - Sustainable Shui Hau	To promote preservation of the high ecological value of Shui Hau and to enrich ecological knowledge of intertidal mudflats of the public through training, surveys, tours and formulation of code of conduct for clam digging.	\$1,594,689.00
1818	Department of Chemistry, City University of Hong Kong	ECF "Shui Hau Magnification"- Upstanding Human Disturbances on Horseshoe Crabs	To enhance public's understanding of the ecological value of Shui Hau and human's impacts on the ecology (especially Horseshoe Crabs) through ambassador trainings, surveys, visits, talks, exhibitions and guided tours.	\$753,885.00

1820	Firefly Conservation Foundation Limited	ECF Nature Conservation in South Lantau- Discover South Lantau	To instill knowledge on South Lantau and ways to conserve the ecology to the public through guided tours and exhibitions.	\$382,090.00
1829	Environmental Association Limited	ECF - LantAReau	To promote understanding and conservation of South Lantau to the public and people with physical limitations through development of augmented reality app and panorama videos, talks, ambassador trainings, exhibitions, outreach actions and workshops.	\$1,558,025.00
1831	Outdoor Wildlife Learning Hong Kong Limited	ECF Exploring WILD Lantau	To promote understanding and conservation of Lantau to the public through trainings, field trips, sharing sessions, workshops and video competition.	\$1,550,366.00
1848	Ichthyological Society of Hong Kong	ECF The Fish Kaleidoscope - Stream Explorer in Lantau	To promote understanding and conservation of stream ecology and biodiversity of South Lantau through ambassador training, workshops, talks, exhibitions, guided tours and production of teaching materials.	\$454,464.00
1851	OIWA Limited	ECF Education Programme on Nature Conservation	To instill knowledge of conservation of South Lantau to young children, students and their parents through ambassador training, guided tours, publication of picture books, storytelling sessions and workshops.	\$1,298,131.20
1857	Ocean Park Conservation Foundation, Hong Kong	ECF Ecology and Conservation 101: Grooming the Next Great Ecologist	To enhance secondary students' knowledge on the ecology and biodiversity of Lantau through lectures, field trips, workshops and schools exhibitions.	\$586,542.00
1860	Land Education Foundation Limited	ECF Mui Wo Farm to Table Agricultural Community Plan	To enhance public's knowledge on farmland and ecology and to promote conservation of local farmland through trainings, workshops, guided tours, preparation of dishes using local agricultural products, farming experiences and establishing network	\$934,215.00

			between farmers and dining outlets of Mui Wo.	
Clean Shorelines Projects				
1667	Ground & Round Theatre	ECF Ocean Blings	To enhance kindergarten students' understanding on ocean pollution and encourage them to protect the ocean through drama performances.	\$258,750.00
1704	The Jane Goodall Institute (Hong Kong) Limited	ECF The Big Cleanup-Community-based Action Programme on Coastal Cleaning	To train youths to organise community activities to promote clean shorelines and reduction of ocean plastics through ambassador trainings, cleanup activities, talks and exhibitions.	\$546,200.00
1705	Association for Sha Tau Kok Culture and Ecology	ECF Coastal Conservation and Education Programme	To encourage public to clean shorelines and to nurture them to become organisers of coastal cleanup activities through eco-tours and leadership trainings.	\$341,640.00
1737	Hong Kong Women Development Association Limited	ECF "R" Coast Cleaning Programme	To enhance the public's understanding of marine pollution and environmental conservation through training, workshops and marine day.	\$664,450.00
1762	Environmental Association Limited	ECF Coastal Conservation @ Hong Kong UNESCO Global Geopark	To promote the importance of clean shorelines and marine conservation through coastal cleanups, briefings, talks, workshops and carnivals.	\$977,165.00
1768	Earth Rescue Team	ECF Little White Dolphin Story & Game Tour	To raise kindergarten students' awareness on marine conservation through drama and games.	\$822,320.00
1798	World Wide Fund for Nature Hong Kong	ECF Sea Without Litter II	To enhance public's knowledge on reduction of marine litter, to establish a response mechanism on the issue of ghost nets and to to strengthen the Pearl River Regions' partnership to tackle marine litter problem through training, site visits, surveys and workshops.	\$2,799,331.00
1825	Environmental Association LTD	ECF Community Coastal	To train public to organise coastal cleanup activities through	\$1,569,035.00

		Ambassador Training	ambassador trainings, coastal cleanups, talks and workshops.	
1834	Friends of the Earth (HK) Charity Limited	Environment and Conservation Fund Supported Project - STEM @ International Schools in HK	To raise secondary students' understanding of the microplastics problem through workshops and site visits.	\$461,970.00
Climate Change Projects				
1655D	Ying Wa Primary School	Green YWPS- We STOP Climate Change	To enhance participants' environmental awareness through installation of renewable energy demonstration facilities and related education activities.	\$275,000.00
1684D	The Association of Directors and Former Directors of Pok Oi Hospital Limited Leung Sing Tak College	Climate Change Fighters in LSTC	To enhance participants' environmental awareness through installation of renewable energy demonstration facilities and related education activities.	\$220,000.00
